Coco

"So, Beaker, I heard that we're going to see your mother soon." said Stripes.

"How did you know that?" asked Beaker.

"I heard that from Lulu."

"Yes. She's a white Googles like me. I haven't seen my mom in ages." said Beaker. Suddenly, the doorbell rang.

"I got it!" said Lulu. She answered the door, and there stood a white duck-like creature a little bigger than Beaker.

"Mom! You're here." said Beaker.

"Sorry, Beaker. I got lost on the way here." said Beaker's mom.

"Well, anyway, you're here now. Welcome. I'm Lulu, and this is my boyfriend Stripes and the rest... well, you'll recognize their faces eventually." said Lulu.

"Nice to meet all of you. My name is Coco. I'm so glad to see my son after all this time." said Coco.

End file.
